

PARENT/CARER CONSULTATION GROUP

Dear parents and carers,

The Local Authority, Health and Social care are working hard to improve identification, assessment and support for children and young people with special educational needs and disabilities.

As part of this work it is important that we have opinions, ideas and feedback from children, young people and their parents or carers. We are setting up a **consultation group** for anyone interested in sharing their views and engage in planning service improvement. This may be via e mail, phone or attendance at group meetings, whichever option is most suitable for your convenience.

If you would like to be part of improving services in Middlesbrough for children and young people with special educational needs and disabilities, please reply by completing and returning the slip below to us.

Thank you for your help,

Jo Johnson

Tees Valley Education, Trust Deputy Head of Academy for SEND
(on behalf of Middlesbrough SEND Improvement)

I would like to be part of the Middlesbrough SEND improvement Parent/Carer consultation group and agree to receive and respond to correspondence from the groups working to improve provision for children and young people in Middlesbrough with SEND.
