

G2's home learning timetable.

Hi Everyone,

I have made a proposed timetable of activities that your child could complete with you at home whilst we cannot be in school. They may need help with some of the tasks; others they will be able to complete independently. I have tried to include activities that are similar to what we would be doing in school. Obviously any outdoor activities will depend on local restrictions.

I would love to see any work that the students complete they can email me [thompson.k@priorywoodsschool.com](mailto:thompson.k@priorywoodsschool.com)

Take care and I look forward to seeing all the students back in school again soon. Kate ☺
