

Flag Activity

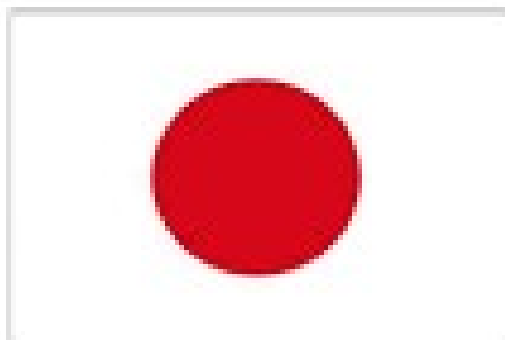

There are 3 colours in the United Kingdom flag, red, white and blue. The colours represent Saint George of England, Saint Patrick of Ireland and Saint Andrew of Scotland.

There are also 3 colours in the flag for the United States of America. The 13 stripes represent the 13 colonies and the 52 stars represent the 52 states.

Japan

The white background of the Japanese flag means peace and honesty.

The red dot means hardness, strength and bravery.

Can you design a simple flag that represents your house?

This could include your favourite colours, animal or number of people in your house.
