

Double Your Money

Amazing Fact

If you were given just 1p and your money was doubled every day, by day 30, you would have £5,368,709.12!

Challenge

Double these amounts of money.

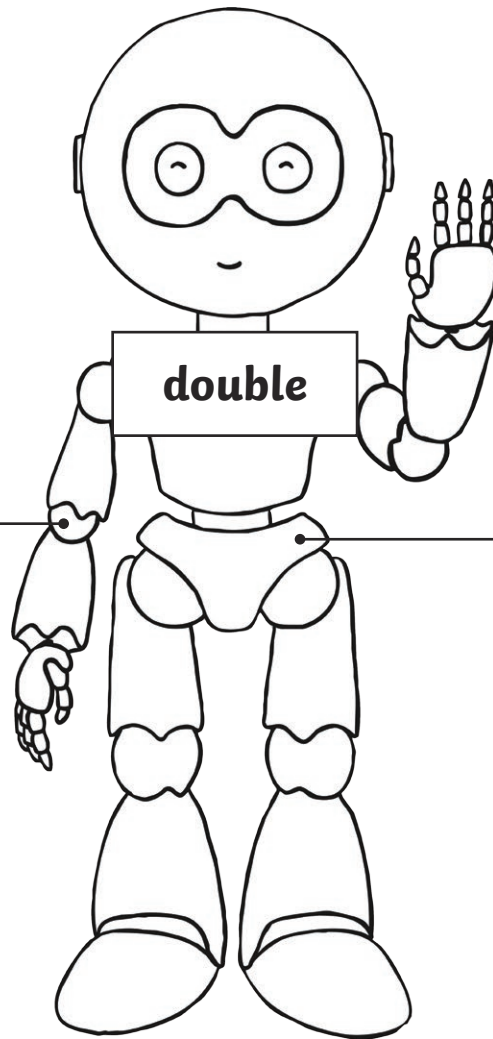

10p		
5p		
20p		
£1		
50p		
£5		
12p		
7p		

You could also try to find out:

- about children and young people who have become millionaires;
- what you could buy with this much money;
- how much money you could save in 5 years with this method.
