

Hi G1,

I hope you and your family are all OK. This is your timetable for **week 4** of your home learning. This is the week beginning Monday 1st February. Please remember to keep logging on to the Team calls, send me emails with photographs showing me all the work you have been doing. Also, please upload your work on Dojo.

Stay safe,

Nicola

Monday	Topic/English Thank you for finding some great facts about a country in Europe last week. This week I would like you to choose a country in Africa. Please can you write down some information about this country? What do they eat there? What language do they speak? There is also some topic activities on the website to complete.		
Tuesday	Maths- Today I would like you to work on multiplication. There will be some worksheets in your pack to complete. If you have any questions with this work then please ask me. I will also explain this work in our Teams meeting.	Literacy- I would like you to write a letter to someone to tell them what you have been doing in lockdown. It could be someone in school or someone in your family. Remember to use capital letters and full stops. You could also buy a stamp and post your letter.	P.E Go for a local walk or a bike ride. If you are shielding or isolating then see if you can count some steps in the house.
Wednesday	P.E Play a ball game- outside if you can! Netball is my favourite! See if you can count how many times you pass or kick the ball to your parent/carer.	Art Take some winter related photographs! There might be a prize for the most magical photograph! I would love to put these photographs on the website!	Cooking There is a pizza recipe in your packs this week. I can't wait to see your pizzas!
Thursday	Independence Can you make your own bed today? Remember to send a photo!	Maths- Use some real coins and practice paying for items with your family. There will also be some money worksheets in your pack.	PE Do a Joe Wicks or any physical work out in your house.
Friday	Maths Log in to RM Maths. If there are any areas that you are finding difficult on RM maths, send me an email. I can also log on to RM Maths at home to see how you are getting on.	Reading Read your school books independently and then spend an hour on Lexia. I would love to see some videos of you reading at home!	Family Time Play a board game with your family.
