

# Rainforest Riddles

1. I am very bright blue and have wings that help me fly. I am very beautiful to look at. Who am I?

2. High in the trees I screech and shout.  
I can swing by my tail to move about.  
Who am I?

3. I am very long, and I slither and slide.  
I can coil my body to hide. Who am I?

4. On silent feet I prowl. Watch me pounce or  
hear me growl. Who am I?
