

The Ocean

Oceans are such a wonderful part of our world!

Can you complete this quiz?

1. Can you name all of the oceans on planet Earth?
2. How much of the Earth's surface is covered by oceans?
3. Can we drink the water straight from the ocean?
4. 94 percent of the Earth's living species exist within the oceans. Is this statement true or false?
5. Which is the largest ocean?
6. Can you draw a picture of an animal that lives in the ocean?

Good luck with the quiz! I will post the answers on the website next week.
