

A capital city is where a region's government is located. This is where government buildings are and where government leaders work.

You might already know that London is the capital city of England and the United Kingdom (UK).

10 Downing Street (London)

This is the official home and offices of the UK Prime Minister.

Use Google or an atlas to help you find the capital cities for these European countries.

<u>Country</u>	<u>Capital</u>	<u>Country</u>	<u>Capital</u>
France		Denmark	
Germany		Norway	
Spain		Sweden	
Portugal		United Kingdom
