

Feelings Memory Game: Pairs

Instructions: For 2 or more players.

1, Carefully cut out each feelings card. You could ask an adult to help you with cutting out.

You should have two copies of each one.

2, Mix all the cards up

3, Place all the cards faced down onto a table or the floor.

4, Taking turns each player is to turn over two cards. If you have two cards the same you have a pair! You can keep these to count at the end. If the two cards do not match turn them back over. The next player has their turn.

5, Play until all pairs have been found.

6, Count how many pairs you have collected.

Remember two cards make one pair.

The player with the most pairs is the **Winner!!**
