

Hi G1, this is your timetable for **week 2** of your home learning. This is the week beginning Monday 1<sup>st</sup> March. Please remember to keep logging on to the Team calls, send me emails with photographs showing me all the work you have been doing. Also, please upload your work on Dojo.

Stay safe, and we will see you very soon ☺

Nicola and Melissa.

Monday	<b>Careers Week</b> This week is careers week. Today I would like you to think about your future. In your packs you will have some careers worksheets to complete: 'When I grow up I want to be', 'future carer' and 'what do you want for your future?'. We will do some career related activity on Teams this morning. If you have any questions about any of the sheets then please ask us.		
Tuesday	<b>Maths</b> Today let's work on multiplication and division. There will be worksheets in your pack. Email if you have any questions.	<b>Careers-</b> Today is a good day for job scavenger hunt, which is in your work pack. Have a walk around your local area and see if you can spot some of the workers on your sheet.	<b>P.E</b> Go for a local walk or a bike ride. If you are shielding or isolating then see if you can count some steps in the house.
Wednesday	<b>Reading</b> Read your school books independently and then spend an hour on Lexia. I would love to see some videos of you reading at home!	<b>Careers-</b> Today I would like you to take part in the careers competition, which is in your packs. I like the idea of making your own poster about the career of your choice.	<b>Cooking</b> In your packs there will be a recipe for Mini Bruce Bogtrotter Cakes! Enjoy! We look forward to seeing the photos!
Thursday	<b>WORLD BOOK DAY/ INVESTIGATION DAY</b> Today is World Book Day and Investigation Day. We are looking at the story 'The world made a rainbow' by Michelle Robinson. The story is on YouTube, search for it and then listen to the story. Then you will have an activity asking you to write what you are most looking forward to when lockdown is lifted. Your science investigation is 'fruity sweets colour mixing' which is in your packs, along with some skittles. Please take some photos and send them to us ☺ After the investigation you could maybe write down what has happened and why?		
Friday	<b>World Book Day</b> Today I would like you to think about our World Book Day story again. The story was all about lockdown and what we have missed. There is a lovely memory maker activity in your packs to complete today, all about lockdown memories.	<b>Maths</b> Today let's think about adding money. There will be some worksheets in your pack. Also use coins you have in the house to practice adding them together.	<b>P.E</b> See if you can complete a Joe Wicks workout today.
