28.1.22

Dear Families,

Just a quick update on COVID and after school clubs.

Just when we thought things were settling, we have had a surge of positive cases in both staff and pupils. Unfortunately some pupils have had to miss some time in school as we could not provide safe staffing levels. We have tried to keep this to a minimum and will continue to do so. Please can I say thank you so much for your understanding and support when this decision has had to be taken?

We have reviewed staffing for after school clubs but given the numbers of staff off at present, we have made the decision to put all clubs on hold with a view to starting after half term. Fingers crossed we will see a more settled picture by then.

Have a lovely weekend,

Kind regards

Janis
